With the non contracted (flexi) memberships, you pay your fees as long as you want to be a member. If you suffer serious injury/sickness and may be away from the gym for a significant period of time you can put your membership on hold until you are ready to go again. We also offer personal/private training, below is listed the members price. This price applies for regular training (minimum once a week) and your club fees then drop to \$20.00 weekly. The zoom training price is a flat rate and does not include classes\*. Corporate and small groups priced upon request.
